A Little About Me

My name is Jacquelyn Sarowatz and I am originally from Illinois. After graduating from Illinois State University in 2016, I took my Dance Performance degree to set sail as a performer with Disney Cruise Line. After a one-year contract, I returned to land and began my Masters in Elementary Education program and entered the classroom fulltime. I have spent the last 3 years working in the classroom as a Paraprofessional, Instructional Assistant and Resource teacher.

I am excited to fly into Avon Intermediate West and spread my wings as an Oriole. I can't wait to learn more about the school, community, and the students who S.O.A.R.!

Throughout my life, I have spent countless hours in the dance studio and on stage. I am technically trained in a variety of dance styles and use that background to perform in many shows and musicals. I have spent the last 5 months performing with the Civic Theatre company at Booth Tarkington Theatre in Carmel, where I was in productions of 'Mamma Mia!' and 'Elf the Musical.' When I am not feeding my thespianism by dancing, coaching or musical theatre, I am exercising, feeling Zen in yoga, or spending time making memories with family and friends. A weird fact: grocery shopping is one of my favorite chores!
